PLANE SEXY

On a recent flight to Greece, my wife Pat and I were seated next to a young couple, Fiona and Pete. Fiona was about 18 and very horny looking.

We all had our tables down ready for drinks to be served. Pat slid her hand under mine and got my throbbing cock in her hand.

I started talking to Fiona about topless bathing and asked which beach she would be going to in Crete. "I'd love to see you naked," I told her. All this time Pat was wanking my cock under the table. I put my hand on Fiona's thigh and

when she didn't protest, I slid it up her dress to her moist panties. Then I took her hand and put it on my cock, so both girls were fondling my cock and balls.

Fiona went to the toilet to take her knickers off and when she came back she sat in the middle. Pete was getting a real buzz out of his girlfriend's behaviour.

Fiona spread her legs as far as she could and I wriggled my fingers about in her hot wet pussy. Pat rubbed Fiona's clit and in no time she was orgasming like mad. I was frightened that other passengers were going to hear.

As Fiona recovered, Pat slowly licked the cum juice from her fingers, all the while looking at me. I knew I couldn't hold back any longer as Fiona's hand continued to rub up and down my shaft. "I want to suck your prick and swallow your spunk!" she hissed in my ear

and I squirted a torrent of hot juice over her hand.

When I opened my eyes the two ladies were licking my spunk off Fiona's hand.

Then she started to whisper filthy language in Pat's ear and frigged my wife's cunt until she had a shattering orgasm.

Pete nudged my arm and passed me a note. It read, "Would you like to watch me fuck your wife?" I nodded and that night we had the most unbelievable orgy at our hotel.

CAB RIDE

This is me, right after a good shagging session with my boyfriend Lee and my new friend Tina.

I've always fantasised about having a 3-some with Lee and another girl, but it actually became a reality just recently.

We met Tina at a dinner party. I spotted her immediately because she was the most attractive girl there.

She had long wavy dark hair, tanned skin and a figure-hugging white dress. My pussy started to drib-

ble just looking at her. I could see that Lee was pretty mesmerised too! She wasn't with anyone, and when we were intro-

what was going on and kept the driver talking so he didn't notice what was happening in the back seat.

Discreetly, I began stroking Tina's tits through her dress, gently squeezing and caressing them until I could feel her nipples harden through the material.

She let out a quiet moan as she touched my wet panties.

Then, gently moving the gusset to one side, she ran her fingers over my aching wet cunt lips and lifted her fingers to her mouth to taste my juices.

I was so fucking horny now that I couldn't care less if the taxi driver saw us fucking or not.

Tina flicked her fingers over my clit, rubbing it over and over until my whole body spasmed and I went into an orgasm.

Tina whispered in my ear, "I want you to taste me, Carly. I want to feel your tongue all over my body."

My fingers worked up Tina's thighs until they reached, to my surprise, a gorgeously smooth shaven pussy – and no panties!

Tina's cunt lips were hot and dripping wet, and I stroked them for a while before inserting two fingers in her tight wet love hole. She groaned and writhed as I slid my fingers in and out, pounding her twat, fucking her as deep as I could.

We got home and leapt out of the taxi to get

inside. Lee was sporting the most enormous bulge in his trousers. "You horny little bitches," he laughed.

Tina and I were snogging wildly, pulling the straps down from each other's dresses, kissing

and licking one another's tits. Lee got undressed and was encouraging Tina onto all fours so he could fuck her bald wet cunt from behind. I lay below her and she buried her face in my pussy, licking greedily as Lee pumped her hard with his thick throbbing cock.

Tina then turned onto her back so I could lick her clit as Lee fucked her. Then I sat on her face and she lapped away at my twat.

I licked the juice off Lee's cock as he thrust in and out of Tina's pussy.

We carried on for hours, in every conceivable position, Lee shooting his cum inside Tina and over our faces and cunts. He'd never had it so good.

Well, we haven't seen Tina since that night, but it was one experience that we'll never forget. My only fantasy left to fulfil now is to have an all-girl orgy.

Debra, Yorks.

duced later (and we were all a bit drunk) she told me that she liked men and women, so she preferred to stay single and have the best of both worlds.

I asked if she'd like to come back to ours for a drink and she accepted. All the while I was talking to her I hoped my body language was making it obvious that I fancied her.

We called a cab and I got in the back with Tina while Lee got in the front. We'd just set off when I felt Tina's fingers stroking my thighs, slowly inching their way to the tops of my stockings and onto the bare flesh.

My heart was racing and

MY SEX by Escort reader

Exhibitionist Alison wants to be a porn star, and acts out her horny fantasies for her partner's camera. The stuff she gets up to, we're sure she'll go far!

How do you like to wank?

I've always been an exhibitionist at heart and I love making filthy adult movies at home with my current partner Josh. One of his favourite past-times is to video me fucking myself with one of my big dildos. I've got a big selection – you could fill all the cunts and arses up my street with what's in my bedroom drawer. I start off licking the head of one of my biggest and then rubbing its moist end on my clit. It never takes long for my cunt to juice up when I see that video camera pointing at me, so I slip the thick shaft between my lips and

begin to fuck my cunt.

First, I just put the tip in me, then I work it in with my wrist until my fingers are right against my pussy because the dildo is right up inside me, nudging at the very top of my cunt. I look straight at the camera as I fuck myself, then pull it out. I've always got a plentiful supply of cunt juice, and the shaft of the dildo is always coated with thick white cream when I pull out. I put the head in my mouth and suck the dildo clean. Yum! My cunt tastes delicious. By this

point, Josh is normally wanking off his cock – luckily he's got a hand-held camera!

I turn over and thrust my buttocks towards the camera. I cup a tit in one hand and slide the dildo up my cunt, then pull it out. I begin to thrust it faster and faster, my cunt slurping round the dildo and it never takes long for me to cum.

Especially not when Josh walks up to me, the camera fixed on my face, and pushes his stiff knob towards my face. I suck on the real dick and fuck with the plastic one till I'm in cock heaven.

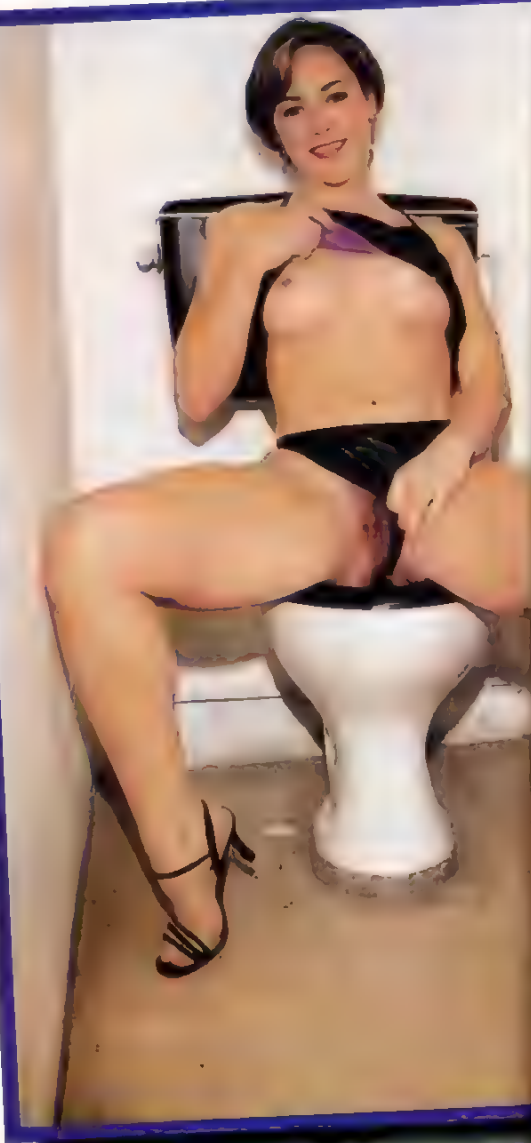

When I cum for the second or third time, my moaning is normally enough to

send Josh over the edge and he shoots his load all over my upturned

play the tape in the background. It's hard to watch it all the way through to the end without wanting to fuck so badly.

Have you ever had group sex or lesbian sex?

As you can imagine, I've got

a big video collection and Josh and I lend them out to like minded friends. One couple liked our films so much they suggested we come round for an evening. They laid on a good spread and after we had had our fill of eating and drinking, Brian and Poppy suggested a game of strip poker to get us in the mood for a good screw.

We only had a couple of hands before everyone was up for fucking. We quickly took off our clothes and Brian and Poppy started fucking on the settee, Poppy straddling Brian and ramming herself hard down onto his thick meaty cock. Poppy's big brown tits were going all over the place and she was really turning me on.

I reached over to Josh and put my hand round his cock. He was stiff too from watching our friends fuck. I lay flat on my back and wrapped my legs around his chest, drawing his cock into me and pressing my bum cheeks against his swollen balls. He fucked me deep while I grabbed onto my tits and squeezed my nipples.

Over time, the thrusts of all four of us got into rhythm and me and Poppy were moaning at exactly the same time as the boys gave us a good seeing-to. I got up and went over to Poppy as she was getting humped and started to get off with her, frenching right down her throat and massaging her big tits as she bounced up and down on Brian's cock. I could hear the squelching of her pussy as it got fucked rigid.

Then I lowered my cunt down onto Brian's face and he licked me out till my juices were running all over his face. When I came, I ground my pussy and arse down onto his tonguing mouth. Absolute

ecstasy!

Then everyone swapped

over. Poppy got fucked doggy-style by Josh. I got down on all fours facing her

and tongued her as Brian fucked me from behind, forcing our faces together.

Brian fucked me like his life depended on it, gripping my arse

cheeks and thrusting deep and hard into my cunt. I was getting a good battering and when Brian grunted and filled my cunt up with hot jism, I came over and over.

Luckily Josh had brought the video camera, and after Poppy had wanked him off all over her tits, he set it up. Poppy and me set about getting the guys hard again, sucking their sticky cocks and fondling their balls.

Then we got the cam-

era rolling. Poppy and I did a lezzie show while the guys wanked off. We pressed our cunts together, rubbing our clits in a frenzy till our thighs were damp with cunt cream.

"We rubbed our clits together in a frenzy!"

We rolled into a 69 and while my arse was up in the air, my clit being plated by Poppy, I felt Josh's cock press against the opening to my cunt and then force its way in. I gasped and sucked hard on Poppy's clit. I could see Brian's cock sliding in and out of her cunt, wet with juice.

He pulled out and gave me a good

DUTCH FUCK

My girlfriend Kelly and I recently went to Amsterdam for a couple of days and obviously ended

up looking round the sex shops.

While in one of the shops, a couple of English lads spotted us and made smutty comments about what Kelly was buying – a large vibrator.

When we left the shop, we went to a bar for a drink and Kelly said she was quite turned-on by the attention of the two lads. A short while later, the same two came into the bar and I called them over for a chat.

As the drink flowed, conversation got more and more dirty and one of the lads, Paul, asked about the vibrator Kelly had bought. Kelly, who was a bit drunk by this time, offered to give them a demonstration.

Back at the hotel room, Kelly quickly stripped off and started to play with the vibrator.

Paul and his mate Mark could hardly believe their eyes as the vibro slipped in and out of Kelly's dripping pussy.

Paul to fuck her. He slid easily into her wet snatch and soon built up a rhythm in time with Kelly sucking Mark's knob.

I was now naked and wanking my own hard-on as the

Both lads had huge bulges in their trousers and Kelly beckoned them over.

They didn't need telling twice and were soon out of their clothes and jumping onto the bed with Kelly. Kelly grabbed Mark's cock and began to suck noisily on his huge bell-end

lads changed positions.

Kelly now sat on Mark's cock while Paul stood in front of her and fucked her mouth.

I couldn't contain myself any more and climbed onto the bed. I inserted my swollen tool into Kelly's luscious arsehole. This took

her completely by surprise as

while Paul played with her tits and fingered her clit.

Kelly moaned and came almost immediately. She discarded the vibro, turned on all fours and told

orgasm ripped through her body.

Paul began to moan and was almost ready to cum. Kelly sucked harder and wanked his shaft. Paul stiffened and shot his load into Kelly's mouth. She tried to swallow it all but it was too much and loads of

spunk dripped off her chin.

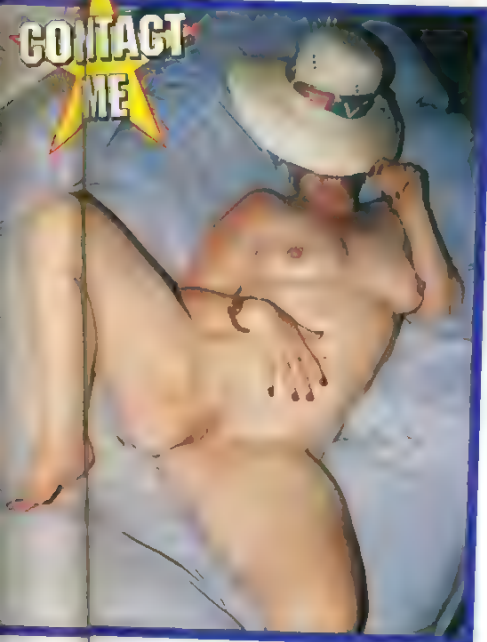

This set Mark off and he filled Kelly's pussy with spurt after spurt of spunk.

I pulled out of Kelly's arse and climaxed over her lovely bum cheeks.

Kelly sat up, dripping spunk from every hole and licked our exhausted cocks clean to get us hard again. She put on another show with the vibro and we fucked all night long.

Kelly was sore for days afterwards but says she loved every minute of it. Mark, Rotherham.

CUM SHOT

These photos were taken prior to me getting a good fucking from my boyfriend Brian and his mate Colin.

One day we met Colin in our local. When Brian was at the bar, I made sure Colin got a good view of my knickers and thighs, riding my skirt right up.

My cunt was already get-

ting damp at the thought of the photo session to come.

"Fancy coming back to our place and watching me take some pics of Lisa?" said Brian. Before long Colin was sat on our settee, his cock straining, as Brian took pics of me slowly stripping.

I strolled over to Colin and unzipped his jeans to reveal an erection as big as the Eiffel Tower. I licked his balls and ran my tongue along his

dick. I sucked the juice running from the end of his cock.

I sat opposite Colin and pulled my cunt wide open, my juices dribbling out at the excitement of being watched.

Then I turned over and pulled my arse cheeks apart.

I gave Colin a wicked smile and said, "I

need some meat in my cunt, Colin." Colin glanced at Brian, who nodded his agreement. He stripped frenziedly and soon his

tongue was deep in my cunt as I held my lips open for him.

I guided his tongue to my clit and he sucked it greedily. Soon we were in a 69, his prick deep in my throat.

"I want

your cock in my arse." I gasped and Colin obliged by thrusting his prick deep into my puckered hole. All the time Brian was snapping away.

"Spunk over my face!" I told Colin so he pulled out, laid me on the floor and pumped a long hot stream of creamy spunk over my face.

I peered into Brian's lens and he got some great shots of the white cum dribbling onto my chin.

Then we had another session, this time with Brian fucking me and Colin taking the pictures.

COMING SOON

SO, YOU LIKE TO LOOK AT DIRTY VIDEOS, DO YOU? WELL, SO DO WE. HERE'S THE PICK OF WHAT TO WATCH OUT FOR IN YOUR LIVING ROOM IN THE COMING MONTHS

SMART LITTLE ARSES (18)

Want to see an innocent teenager deflowered by a sleazy Belgium porn star and a cheeky Cockney? Tempted by the thought of a fat slapper being shafted in a hot-dog stall? Thought so. Then you might want to check out porn legend Ben Dover's latest effort, *Smart Little Arses*. This is the porn vid

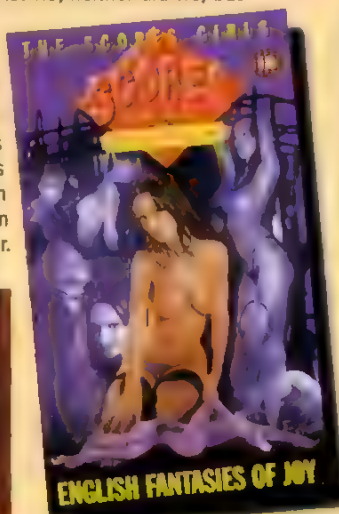

for camcorder enthusiasts everywhere. If Jeremy Beadle wanks (an obscene thought in itself), then he wanks to Ben Dover.

Worth a laugh if you're pissed and a wank if you're desperate. In financial terms that's £12.99.

ENGLISH FANTASIES OF JOY (18)

Do you know what a 'Scores Girl' is? No, neither did we, but don't let that worry you.

Just sit back and relax as Joy rubs herself all over and generally makes a spectacle of herself in ye olde English haunted house filled with ghosts, tourists and tasteful soft furnishings. Lots of neatly trimmed American minge and rock-solid American breast. Oh, and a comedy butler. Bravo!

KAREN MCDUGAL: PLAYMATE OF THE YEAR (18)

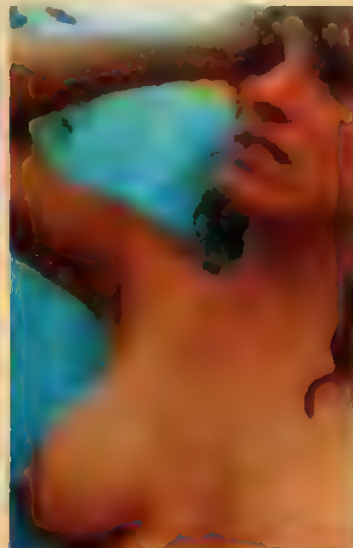

"This is my Mom. She raised us with a lot of dignity and respect," says Karen McDougal, introducing her mother to us. Then why do you get your baps out for a living? Eh, Karen? Answer that.

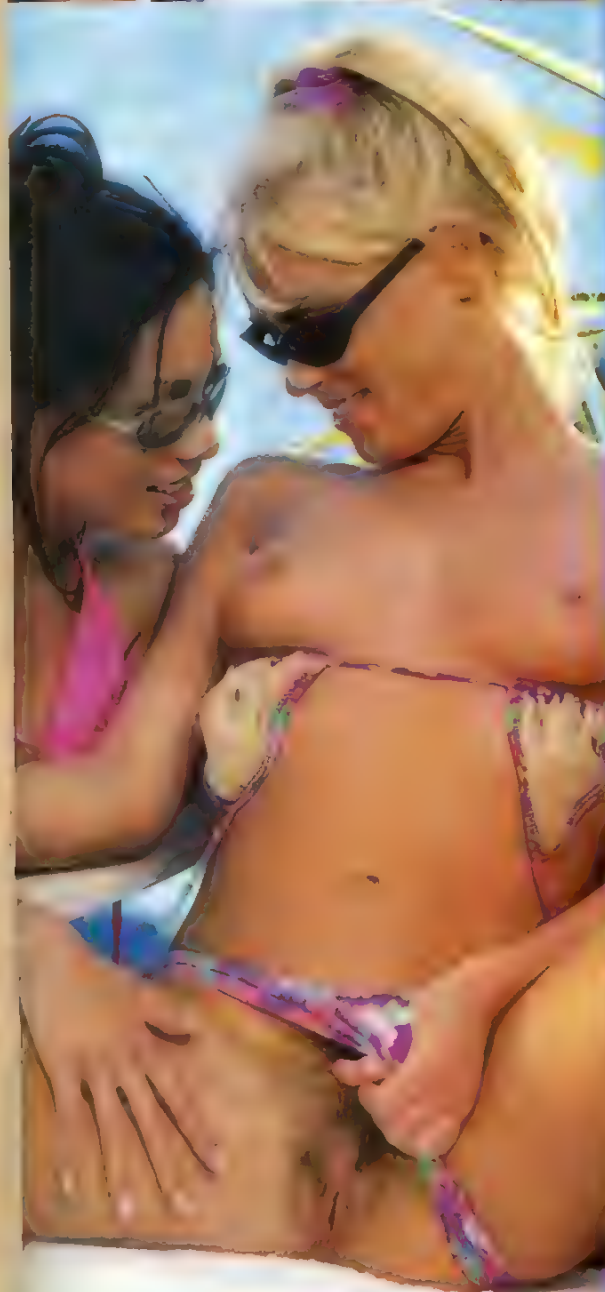

This glossy vid detailing Karen's past, present and future is absorbing viewing, especially when it ditches the background stuff and concentrates on nudity. And it has a great sound track too - a blend of jazz and soft-rock by David Hasselhoff's Dad's band.

CAT FIGHTS: TAG WRESTLING VOL 1 (18)

"That's no fair!" "She squeezed me!" "Now I'm pissed!" "Grrrr!" "Ow! Ow!" "Nnnnnngghhhhh!" Sadly, even the unedited version of *Spartacus* was never this engrossing. *Cat Fights* is a window into the world of the average dim Californian. Cheer as nipples are twisted and noses tweaked. Delight as Chinese burns and wedgies are doled out freely. Laugh at the hair cuts. Smirk at the acting. Weep for American culture. A must-buy.

Why I LOVE SALLY

Summer holidays can be a real drag for me. The university closes, the halls of residence chucks us out and it's off on holiday with my parents. Don't get me wrong, I love my parents to bits, but it's all sweetness and light with them, and when I'm at uni, I'm used to having a wild time.

This year was different though. Sally came with us. Sally was our new neighbour's daughter and they thought it would be a good way for us to get to know

each other. I didn't mind at all. She was gorgeous. Slim, blonde and hotter than an August afternoon. She made my pussy wet with just one smile
"What shall we do today?" Sally asked as we unpacked. "Why don't we go exploring," I told her. "Exploring? Where?" she asked, so I put a hand on her breast. She thought for just a moment, smiled and then peeled her top away to reveal

her perfectly formed boobs.

"Well, my parents did tell me to get to know you," she said running a hand up my leg and stroking at the springy bush beneath my panties. I leaned forward and kissed her full on the mouth as she slipped inside the material and started to flick a finger over my petals. I felt my juices gush all over her hand and soak my knickers. She slipped the first of two fingers into my pouting hole and buried them up to the knuckle.

As she helped me out of my clothes, I let my hands do a little exploring of their own; squeezing her tits, stroking her bum and pulling her underwear to one side to get at her hole. At this, Sally laid back and spread her legs. I took the hint. Ripping off her sop-

ping knickers, I lowered my head and sunk my tongue into her minge. I love the taste of cunt and Sally's was especially delicious. I greedily lapped away at her quim, covering my nose and face in her fragrant juice. She shuddered with delight every time I passed over her clit and so I turned my full attention to it, teasing and flicking it with the tip of my tongue until she could take no more. "Oh God, make me come," she told me and grabbed the back of my head, pulling me hard into her pussy. With one almighty jolt, she let out a shriek and gushed all over my face.

I didn't even consider giving her time to recover, I wanted the same treatment too badly. I swung a leg over and lowered my pussy onto her face. She met my dripping quim with her long, flat tongue

and slid it into my crack. Her probing flicks on the silky inner walls of my cunt felt divine. Along with her tongue, she slipped two fingers into my pussy. "Use one of those on my arse," I told her, to which she duly obliged. With digits circling away in both my holes and a tongue rasping at my swollen bud, I couldn't hold back a moment longer and gasped for breath as I came on her face. Sally didn't want to

stop though, and she carried on fingering and licking my fuck holes until I orgasmed at least another three times.

When we were finally finished, we got dressed and went sunbathing. We became really good friends after that holiday, until Autumn came round and I went back to university. These days, I can't wait for summer to come round again.

Sandy's Fantasies

She's blonde, she's beautiful, and – heh, heh – she's into girls! Yep, we're talking about *Club International's* very own bi-babe, Sandy. Horny models fight each other to shoot sets with her, and it's easy to see why. Sandy's fitter than Andy McNab (we mean she's sexy and he's fit, as in healthy... oh forget it) and she licks muff like it's going out of fashion. If she could cook she'd be perfect.

Sandy has one terrible weakness, though. She has this compulsion to film her sexual exploits and distribute them on video. Some girls, eh? We can forgive her this fault, however, because she's really pretty and likes children and animals and wants to be a UNICEF Goodwill Ambassador. She even claims that *Sandy's Holiday Sex Fantasies* is going to bring peace to the world because men everywhere will be too busy wanking to fight. Ahh, bless..

Charmaine SINCLAIR

There's nothing one-time
about friend of film star Robert de
Niro, Charmaine Sinclair, likes
being in an posing for the
camera. "I love getting my kit
off for the photographers,
because when I do it, I don't
see it as a lens centring in on
my tits and my cunt, I see it as
a hundred thousands horny
guys, all reaching their eyes on
my delicious, popping pussy
and jerking themselves off all
over me."

"All those guys, all those gal-
lons of come. It makes me
gush at the very thought of it,
covering my tits, my pussy, my
are. How delicious. Go on,
make a little contribution -

I Made CONTACT NOTICEBOARD

Thousands of horny readers have met through Escort Contact - and this is where they tell us what happened...

"FUCKED IN PUBLIC ALL OVER THE PLACE!"

MADDY, SUSSEX

Vol 18
No 12

My fantasy was to meet a bloke who liked to fuck outdoors as much as I did. Dave from Manchester contacted me with some good photos of himself and I picked him to go out on a

date with. After a meal, we ended up fucking in the car park as loads of cars went by hooting their horns. Since then he's fucked me in a field, up against a pub wall and in a public convenience!"

"MY SECRET FUCK IN A CARAVAN!"

KARLEY, BRISTOL

Vol 18
No 5

"My husband Paul and I went to an adults-only holiday camp with a couple we contacted, Luke and Lisa from Manchester. After a drink and a dance one

night, Luke took me back to my caravan, pounded his cock into me and spunked all over my tits and stomach. Paul still doesn't know about it - until now!"

"I RUBBED SPUNK INTO A GIRL'S PUSSY!"

TARA, WIGAN

Vol 17
No 10

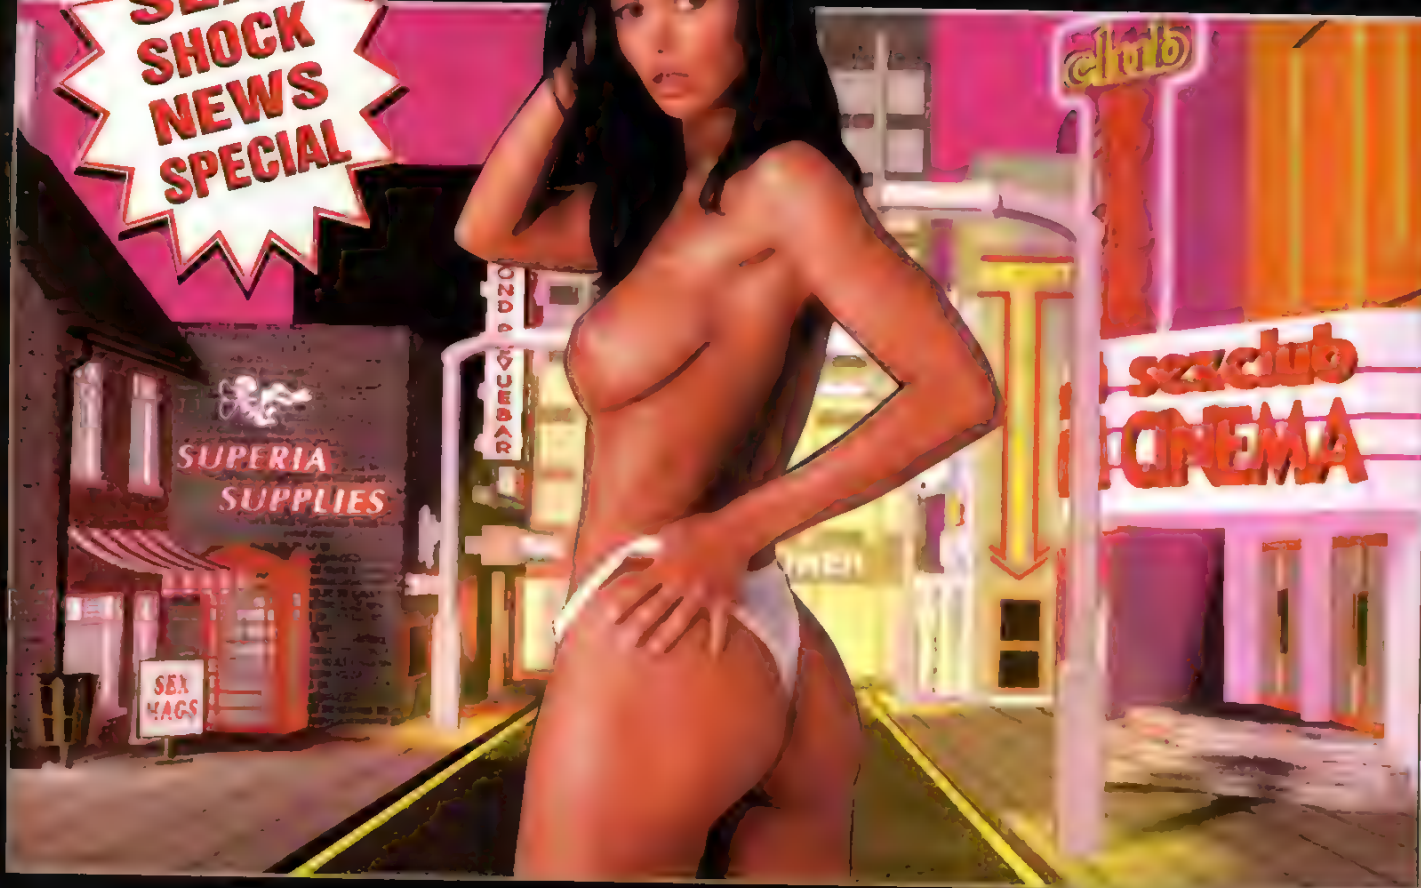

"I received over 150 letters and as I had always wanted to taste another woman's cunt, I got in contact with a girl called Tina. I sucked off my husband Tom's cock while

she rubbed her big boobs over my arse and pussy, then she finger-fucked both holes. When Tom came in my mouth, I spat the spunk onto Tina's pussy and rubbed it in."

"Been there - done that!"...says fabulous Kirsty Smith. "I know it's really live. I had so much fun, I'd love to go back and do it again! I loved being able to talk to the guy LIVE while he watched me, it got me really horny!"

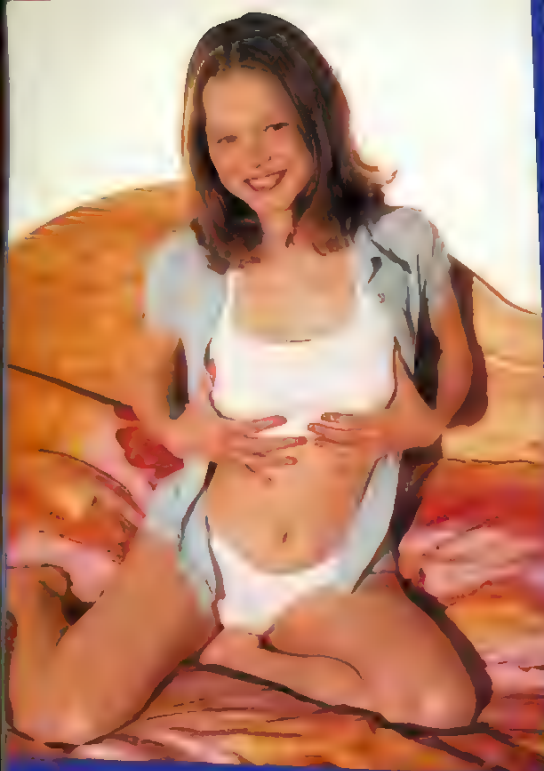

Kirsty tried out LiveCam for size and had her horniest time ever in front of the camera! My favourite babe had everyone shooting fast! On-line and

off-line even the camera crew were getting really hot as she was joined by two sensational webbettes! I got to be a voyeur at this exclusive sexclub gathering and saw all the ins and outs of getting it up on the Net.

TRY SOME COCK (BISEXUAL)
Hi, my name's Peter. I am married to a fucking hot blonde. She recently started to
finger me while we were screwing. I loved the feeling of her inside me for a
change. I asked her if she thought I was gay. She said that there was no way but
that seeing as I enjoyed it so much, maybe I should try sucking a cock. I started 3
months ago. Now I can't get enough of the feeling of a huge throbbing cock inside
my mouth. So I'm looking anywhere for cocks - toilets, movie houses, theatres,
secluded phone booths in fact any fucking place. So if you'd like to listen to my
experiences... What I would love, is to suck your cock (somewhere private if you like)

facial. Spunk dripped off me and onto Poppy's pussy. I licked it off her pink lips and smiled for the camera. When

their hands through the holes and stimulate the lucky guy or girl.

I was well up for joining in, so I got in the box. It was dark, but I could make out a couple of hands resting on my tits and another one stroking my thighs. It felt so horny that total strangers were having their wicked way with me and I started to moan with pleasure.

This was obviously taken as a signal to get ruder and someone's veiny prick got

poked through a hole next to my head. I fondled it and licked the balls dangling below it until it was hard.

When another cock poked through, already stiff this time, I buried the first one in my mouth and wanked off the other. Now all the hands

were replaced by pricks and I wanked and sucked off as many as I could.

Each time one of the cocks spunked, raining down semen on my rubber suit, another stiff one would take its place. By the end I was exhausted and utterly soaked with semen. It was in my hair, all over my face and my stomach felt like it'd had a three course meal!

When I got out of the box, Josh told me that he had stuck his cock in first, and everyone else followed suit. He also said it was one of the horniest sights he'd ever seen, kissing my spunky cheek.

I've also indulged in watersports. It all happened by accident – I was having a shower with Josh one day, and

instead of going to the toilet, I pissed all over his legs. Instead of moaning, he said he actually quite liked it. Since then, when we're feeling a bit kinky, I let him piss all over my tits and fanny, and I piss on his cock. It feels really funny at first, but it's nice and hot and it always gets me turned-on in a really pervy way!

What's the most cock you've ever had in one night?

It was in the day actually! For one of my birthdays, Josh arranged a little treat. I woke up at about 9am to find that he'd gone. I expected to see him return to bed with a breakfast tray, but he'd brought a much sexier surprise!

It was his two brothers! All three of them look similar – tall and

"I was exhausted and soaked with semen"

we played the tape back the next day I was wanking off Josh and that was the bit that made him cum.

What other kinky habits do you have?

I love wearing rubber. The feel of it against my skin and the smell of it makes my pussy cream up instantly. I even wear it on my own when I wank off – I get horny rolling the latex up my legs and I just have to dip my fingers into my cunt as I do it.

When I fuck Josh he always says how much he likes the look and feel of my arse covered in black rubber – all shiny and ready to be covered in his sticky spunk!

Once Josh and I went to one of those fetish clubs in a basement on a visit to London. There was this box with loads of holes in it. Basically someone got in there, they closed the lid and whoever wanted to could put

"I got fucked in every hole at least 3 times"

blond and I was to discover that their cocks were all beautifully proportioned – big!

"This is your birthday, so just put your feet up," said Josh,

grabbing my legs by the ankles and letting his two brothers, Ian and Phil, get to work on my pussy.

Ian plated my clit while Phil dug his fingers into my cunt tunnel, thrusting his fingers in and out of me. I'm normally gagging for a shag in the morning, so I was well lubricated already, and was basting Phil's fingers in thick white fanny batter.

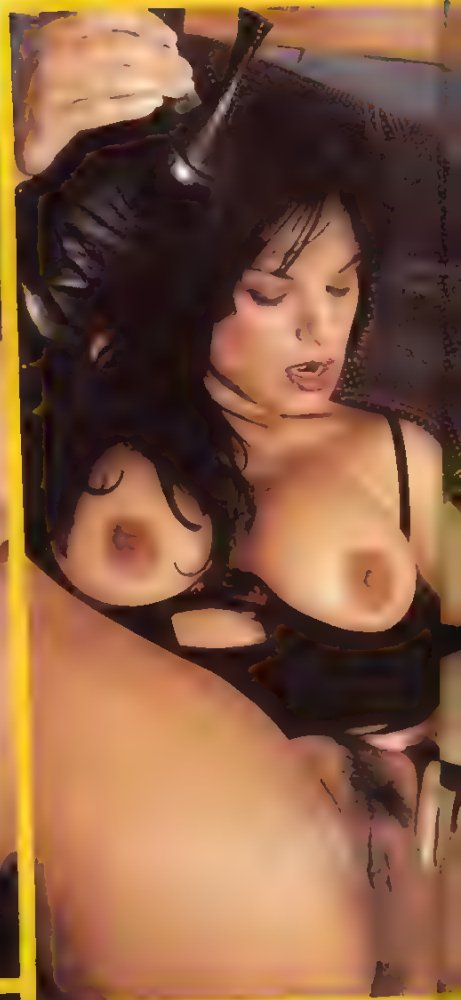

Soon the brothers were stripping off their shirts and jeans and Ian was between my legs, fucking me missionary style while I wanked off two cocks on either side of me and rubbed their sticky heads on my nipples. I had the first of what turned out to be many orgasms.

All three had their tum with me, and by the time the third had finished, the first was hard again and raring to go. I got fucked in every hole at least three times over several hours. Every hole was dripping with hot white spunk. It was fun, and I was sore for days. afterwards! ☺

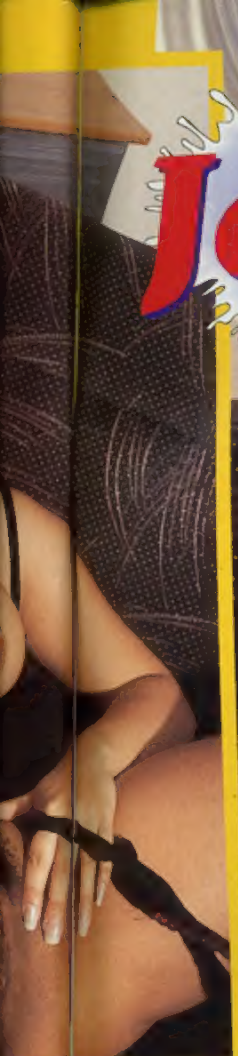

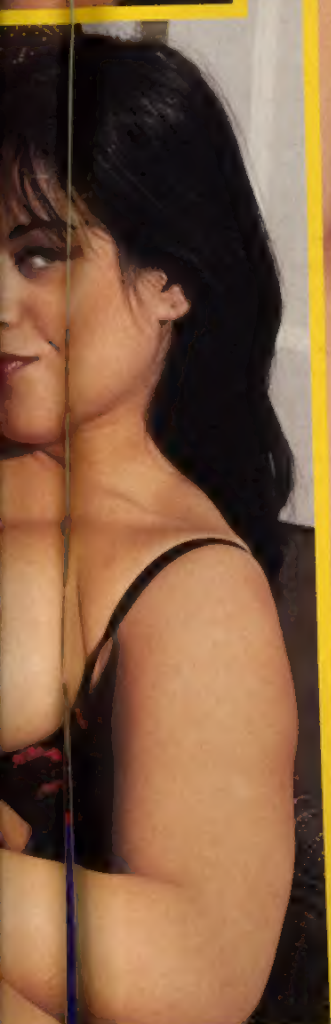

"Stick a cock in between my big tits and I guarantee it'll be spunking in five minutes," says cocky 20-year-old Jade. "I like spunk best all over my tits so I can lick it off, but I take it on my face too, so it dribbles off my chin!"

But all that changed when Steve and Gill across the street had a barbecue last summer. They're a strait-laced pair so Darren and I were surprised to be invited, but as we knew Allie would be there – on her own – we were determined one of us was going to get lucky with her. The only condition was that whoever managed to get her into bed had to let the other one watch.

Allie lost her inhibitions after a few drinks, and was soon flaunting herself at Daz. She

BARE-B-Q

I have always had the hots for my next door neighbour Allie, and so has my husband.

We've spent many randy nights together telling each other what we'd do if either of us ever got her into bed, but neither of us ever thought our fantasies would come true.

was wearing a wispy white dress that I could see right through.

My cunt was wet and throbbing because I could see she was wearing no underwear.

Allie was standing close to Daz and getting him all hot under the collar as she told him how she'd often frigged herself at night thinking what it would be

like to fuck him.

I decided to leave them to get on with it, went to the loo – and came back in time to hear Daz suggest that the pair of them sneak across to Allie's place to finish what they'd started. I got the shock of my life when Allie said that she'd only

take Daz home if I came too!

There was no way Daz was going to turn down an offer like that, and next thing I knew we were all piling into Allie's place and running up the stairs stripping our kit off as we went.

Allie flung off her dress and lay down on the bed with her legs wide open, frigging her clit and telling

me that she wanted me to eat her out. It was just like one of my fantasies as I dived between her legs and buried my face into her hot, sticky cunt to lick out her creamy juices.

Allie was thrashing about as I tongued her, and Daz was frantically pulling at his length.

Allie grabbed his cock and wanked him hard in rhythm with the lashings of my tongue, and I was soon swallowing mouthful after mouthful of her tangy juices as she started to cum down my throat. I felt her fleshy lips grinding down on my face as I brought her off again, reaching under her arse to finger her bum hole

at the same time. That sent her wild.

She screamed for Daz to shove his cock in her mouth.

He didn't need asking twice, and fed his tool between her lips so she could give him a good gobble. I was still eating her cunt as she was sucking Daz off, which made me

feel totally horny.

I knelt up between Allie's legs so I could frig myself off, and they both watched as I made myself cum and Daz spunked good and hard down Allie's throat.

Since then we've had a few threesomes, some of which we've even videoed. Daz and I have never had such a horny sex life!

BARE BALLING

I recently met two old friends, Colin and Kate, while my husband was away on business. He said I could do whatever I liked with them, as long as I told him all about it afterwards.

Kate and I went round all the lingerie shops, looking for the sexiest underwear. When we met Colin for lunch, he was obviously excited about what we had bought.

Back at the hotel, we showed him. We paraded around in basques and stockings.

Colin's cock was starting to get very hard with these two blonde girls acting slut-tish in front of him.

I told Kate that we should give him a real show and put my hand inside her knickers. Her cunt was wet and slippery already.

Soon we were 69-ing, licking and fingering each other to orgasm after

orgasm. Colin was wanking to the horny sight.

I carried on licking Kate's sopping cunt while she took pity on Colin.

She took his long thick cock in her mouth and wanked and sucked him off.

Faced with the sight of his wife getting her cunt licked, Colin announced that he was cumming. I turned round just in time to

get my mouth round his cock with Kate's and catch the thick white spunk shooting out of the end of his cock.

Colin watched us kiss and share his spunk between our tongues. Then Colin took pics of us showing off our cunts so my husband could see what I had been up to.

When I met my husband again I told him this story in great detail, and I got a good fucking in the cunt and arse for my trouble.
